

10 Reasons to purchase an EZ17 excavator

1. You can't beat experience! Wacker Neuson has over 160 years of experience in construction equipment. Designed, engineered and manufactured in Europe
2. Most powerful diesel engine in it's class, rated up to **45 degrees Celsius** without performance loss
3. Removable ROPS rated canopy for operator safety. All functions still work which allows access under very low heights
4. Zero tail swing allows for work in confined spaces.
5. Powerful and maintenance-free hydraulic drive motor
6. Hydraulically extendable undercarriage from 990 to 1300 mm.
7. Heavy duty foldable dozer blade for greater stability and serviceability. Blade extensions are easily folded out of the way when tracks are retracted
8. LUDV load sensing hydraulics and high strength hydraulic oil tank that is integrated in chassis, but is a separate part,
9. Factory fitted auxiliaries, hoses that are plumbed through the boom and slew console for protection. Complete with long dipper stick and Easylock quick hitch
10. 2 lifting points on the canopy for ease of lifting.
