

## MIKASA FORWARD PLATE COMPACTOR MVC-F60H

Mikasa Forward Plate Compactors set the standard for the compaction of sub-bases and asphalt. Mikasa Forward Plate Compactors offer superior build quality and excellent performance. They are also highly portable, easily manoeuvrable and deliver excellent compaction results.

### Lifting hook

Central lifting hook for easy and safe onsite handling

### Honda GX120 engine

Provides hassle free operation and low engine emissions

### Optional water tank

Clip-on water tank for suppression of dust and asphalt works

### Folding handle

Allows for transport in confined spaced

### Transport wheel kit

Foldaway wheel kit for easy and safe onsite manoeuvrability

### Sealed clutch and belt guard

Protects against the ingress of dust and other unwanted materials that can prematurely wear out critical clutch components and V-belt
